URGENT REMINDER FOR REGISTRATION

1st International Conference in Responsible Leadership in Africa.

The University of Pretoria in partnership with the German Technical Cooperation (GTZ), invites you to attend the 1st International Conference in Responsible leadership. The question begging to be answered is whether the next generation (responsible) leaders have the ability to shape new principles for the role of business in society, place a high emphasis on ethical fitness, believe in corporate “statesmanship” and stewardship and whether they are able to critically reflect on the purpose of business.

The conference will include full length papers, workshops, case studies and a PhD colloquium.

Sub-themes include:

- Leadership and ethics
- Leadership and the environment
- Leadership and governance
- Leadership and society

Confirmed Keynote speakers:

Prof Mervyn King

Chairman of the King Committee on Corporate Governance and Chairman of the Global Reporting Initiative

Mr Jacko Maree

Chief Executive: Standard Bank Group

Prof Pierre Tapie
